Eastern Monroe Public Library proudly introduces...

# Summer Reading for Babies!

---

## How it Works

- This program is for birth to 24 months.
- Starting June 12, visit your library and pick up an activity card.
- The activity card will include a variety of simple things to do with your baby, such as read together. As you complete activities, cross them off on the card.
- Once you finish 20 activities, bring the card back to the library and receive a board book and raffle ticket for an end-of-summer drawing.
- Fill out your raffle ticket for a chance to win a copy of the book, *My Very First Mother Goose* and Playkidz *Pound a Ball* toy. Two winners will be selected.
- The last day to return your log and pick up your board book is Thursday, August 31, 2017.
- For questions, contact the Youth Services department at [youth@monroepl.org](mailto:youth@monroepl.org) or 570-421-0800 x305.

*Summer Reading for Babies is proudly sponsored by the  
Kiwaniis Club of the Poconos – Daybreak.*
