TIPS FOR GETTING HELP

Bring documentation
(forms, ID, notices, letters)

Be ready to explain
your issue clearly
and briefly

Many services
are free and do not
require an appointment

Offices can often act
as a “go-between” with
state agencies
(like PennDOT or
unemployment offices)

We're here to help!
Don't hesitate to reach out. We're
your connection to the help and
services you deserve.
