CAMP DEERBONE

WHEN AND WHERE:
In anticipation of the most successful season the Camp Committee, of District No. 1, (Monroe County) of the Easton Area Council, Boy Scouts of America, have completed plans for the opening of CAMP DEERBONE, July 6, 1931, which will be the ninth season of this well known camp. All indications point to a camp enrollment far exceeding that of any previous season.

PERIODS:
There will be two periods of camp, the first period July 6 to 19, and the second period July 19 to August 1.

CAMP REGULATIONS AND COSTS:
The camp fee will be $8.00 per week or $15.00 per period. Only registered Scouts in good standing will be admitted. The Scout will be allowed at all times by the Scout Oath and Law.

PROGRAM:
Reveille sounded at 7:00 a. m. will start each day's program of worthwhile activities. Scouts will have ample time for study, passing tests and merit badges. Time is allotted for such important activities as swimming, life saving instructions, athletics, hikes, nature study, handicraft and camp-fires. Taps at 9:45 p. m. will bring each happy day to a close.

FOOD:
Any Scout, Scouter or visitor who was served last season may be referred to in connection with the excellent meals served him. The same careful and scientific planning of menus will again prove a factor in building strong and sturdy bodies.
SLEEP:
Comfortable cots in well ventilated tents and cabins will provide nine hours restful sleep, which is so necessary to the health of every active boy. Blankets must be thoroughly aired daily.

HEALTH AND SANITATION:
The kitchen and dining hall are well ventilated and are kept thoroughly clean at all times. Inspection of the entire camp is made daily to insure the highest degree of sanitation.

No Scout will be accepted until the Scout or Scouter can produce a certificate signed by a physician showing that he is free from contagious or infectious diseases, and is thoroughly fit for the rigors of camp life.

RELIGIOUS LIFE:
The Boy Scouts of America maintains that no boy can grow into the best kind of citizenship without recognizing his obligation to God. A spirit of reverence toward God and of helpfulness is not only present but prevails also in the week-day life at camp. Grace is said before meals and a moment of silent prayer or other religious meditation is provided at the close of each camp fire. Chapel services are conducted at the camp by visiting speakers and provisions are made for Catholic boys to attend mass. A SCOUT IS EVERRENT.

LEADERSHIP:
The camp staff of Deerbone is chosen with the utmost care. Only men who are trained and experienced in the ways of boys and who are veterans in Scouting are chosen for these responsible positions. No parents need hesitate in placing their boy in the hands of such leaders.

TRADING POST AND MAIL:
A trading post is maintained at camp where small articles such as stamps, letter paper, rope, buttons, badges, etc., as well as a limited amount of candy may be purchased. Scouts are urged to write their parents
duly and the parents are likewise urged to write their sons. Address all mail to CAMP DEERBONE, R. D. No. 1, East Stroudsburg, Pennsylvania.

VISITORS:
Visiting Days—Women on Wednesday and Sunday afternoons and nights; men at most any time as long as it is not too frequent.

EATS AND SWEETS:
Parents and friends must not bring or send "Eats or Sweet" to Scouts in camp. Should any such articles come to camp, they must be given to the camp director and he will dispose of them as he sees fit. Scouts are permitted to buy candy at camp at a limit of 10c per day, but they do not have to spend that much.

**TEN IMPORTANT THINGS THAT HELP TO MAKE A GOOD CAMPER**

1. Be cheerful at ALL TIMES and—Obey the Scout Law. This, of course, means that you treat your buddies like you would like to have them treat you. Obey orders of your camp officials promptly and cheerfully.

2. When it starts to rain loosen tent ropes so that the stakes will not pull out of the ground. Canvas and ropes shrink when they get wet.

3. You have been issued a good cot because it is desired that you get plenty of restful sleep. But cots will not stand any "rough-housing" and each Scout will be held responsible for any unnecessary breakage. Learn to make your bed properly. Nights at Deerbone are cool but you will keep warm if you use your blankets properly. Ask an old timer to show you how.

4. Keep all your clothing in your suit-case or bag, and that closed tight. Do not put damp clothing in your pack; so good camper does. A clothes line is provided at the rear of your tent for this purpose; do not use tent ropes or lops of tents.

5. Report any slight as well as any acute illness to a camp officer—IMMEDIATELY.
6 Pay close attention to all announcements and observe notices on the bulletin board. No person will be permitted to go in swimming except at times stated or the program or by the aquatic director.
7 Scouts will not leave camp without a pass signed by the camp director, except while participating in official activities.
8 Show a pride in CAMP DEERBONE. You have a share in it and it will be your home as long as you are here. The fine example you set will not only make your stay more pleasant but will make DEERBONE a better camp.
9 Write home frequently. Your folks will want to hear from you and it is only fair to them to know how you like camp. Write interesting letters about camp activities. Do not worry your folks about petty annoyances you experience, as this gives them an unjust impression of camp and perhaps of you.
10 Every Scout should definitely plan to earn advancement in rank. Every Tenderfoot is expected to become second class, a first class and so on. Special attention should be paid to the merit badge subjects in the camp history, and also the following out-door subjects not listed there—Archery, astronomy, botany, camping, conservation, forestry, stalking, and others too numerous to mention.

GENERAL INFORMATION

Camp Deerbone invites all Boy Scouts of Monroe County. It looks as if this summer will be the last summer camp we will have at Camp Deerbone. District Commissioner Harold W. Kerler is very anxious to make this camp the largest and best ever. Since we are in the East Area Council we will support Camp Weygadt, the Council camp, after this summer. Camp Deerbone will be retained for short camping trips—day, overnight, weekend, etc.

Camp Deerbone will admit only Boy Scouts who are registered at Headquarters in New York City, who are in good standing in their troop, and who are acceptable to the Camp Director. It is the desire of the scout officials to give the camping privilege to as many scouts as possible, who have been loyal to scouting and their troop, since last summer’s camp and who will be as honor to their troop and to the camp this summer. We have always had the most pleasant times at camp, but it must be understood by all scouts and parents that the Camp Director has full authority over all matters relative to the camp.

The cost for camping is $15 for two weeks; $8 for one week. Every scout should have at least two weeks at camp. A reservation fee of $2 must be paid when the application blank is turned in to the Camp Director, which must be done before June 20. If the scout fails to come to camp, the reservation fee will not be refunded. The remainder of the board must be paid upon the scout’s arrival at camp, which time he must turn in his Physician’s Certificate. If the scout should be sent home for any serious violation of scouting, there will be no refund for the unexpired period.

The regular routine begins each morning with reveille at 7 and closes with taps at 9:45 in the evening. Activities include passing of tests and merit badges, taking care of own bunks and tent, special detail duties, swimming, games, camping, religious and moral instructions, cooperation with officials and brother scouts. It is expected that every scout will earn enough points for his camp letter.
Visiting days for women are strictly limited to Wednesdays and Sunday afternoons and evenings. Men may come at most any time, but not too frequently. Parents and friends must not bring or send "eats" and sweets to scouts in camp. Should any such entrees come to camp, they must be given to the Camp Director and he will dispose of them as he sees fit. Scouts may be permitted to buy candy at camp, with the permission of parents. The scout will be limited to 10c a day, but he does not have to spend that much. Transportation to and from camp must be supplied by the scout's parents, or his Scout Master, or the Troop Committee.

Each scout must bring to camp his membership certificate and a complete record of all tests passed, including merit badges, with the date when each was passed. This is very important and if the scout doesn't have these records, he must secure them from his scoutmaster before coming to camp.

Bring the following articles with you:—at least 2 blankets (if you have a raincoat or poncho or slicker, wrap it with the blankets); bring other articles in a suit case or traveling bag; 6 horse blanket pins; scout uniform (including hat, shirt, breeches, belt, stockings and coat (if you don't have all these parts of the uniform, just bring what you have, and then bring other clothing so that you will have two complete changes of suit. Including the scout clothing, every scout must have 2 shirts, 2 pairs of trousers, 2 pairs of stockings, 2 pairs of shoes, and a coat or sweater); 2 union suits; 2 pajama suits; bathing suit; 2 hand towels; 2 bath towels; hair comb and brush; tooth brush and paste or powder; ivory soap, new scout handbook, small note book, writing paper and stamps; pencils; scout knife and scout axe (if you have them), for eating purposes bring a knife, fork, spoon, tin cup, tin or plate plate; dish mop and dish towel. Have ALL clothing marked with your name either printed on with indelible ink or with a tape upon which your name appears. Mark all other articles in some way so that you will know them.
The following things are not necessary but are desirable if you have them: camera, fishing tackle, flashlight, musical instrument, first aid kit, games. If you desire to bring any other articles not mentioned, you must secure permission of the Camp Director. Scouts must not have any bow arms of any sort. Have your hair cut just before coming to camp. Be sure you go to a physician for a physical examination and bring the card, signed by him, with you to camp.

Read all these instructions twice and see that you follow them exactly in every detail, for every scout will be held to them. If scouts, parents, or guardians have any further questions, they should confer at once with the Director. Camp Director's address: Harold W. Keller, 45 Lackawanna Avenue, East Stroudsburg, Pa. CAMP HISTORY

By Fred C. Fatsinger and W. Harvey Scharrer

At a meeting of the Boys' Work Committee of the Stroudsburg Rotary Club in January, 1923, the chairman, Mr. Fred Fatsinger, told of the great need of a Boy Scout summer camp for this district and the troubles encountered by those interested in the Scout movement in securing a proper location. Rev. Walter Waygood heartily endorsed the proposition. After some discussion by members of the committee in regards to a proper location for such a camp, R. S. Worthington offered an island in the Delaware river, above Shawnee, rent free for a Scout camp. According to the Geological Maps, this island is known as Coak's Island. Mr. Worthington also offered to furnish all lumber necessary for building a mess hall and kitchen. Luther Hoffman offered to furnish plumbing for this building. Robert Eastwick offered to provide a pump. It was decided to ask the cooperation of other organizations which might be interested. A meeting of representatives from all these organizations was called at the Stroudsburg Chamber of Commerce rooms.

An organization was effected at this meeting consisting of committees representing the Rotary Club, Kiwanis Club, E. P. O. Elks Lodge, American Legion, Boy Scouts, etc. A committee was appointed to investigate a camp site and report at the next meeting. The committee consisted of Capt. Arthur Svec, Rev. Herbert Westwood, Rev. Walter Waygood, R. S. Worthington and Fred Fatsinger. They inspected the island when the Delaware was high (a real "crossing the Delaware" in a row boat), found conditions ideal for a scout camp and made their report.
to the general committee. It was decided to raise funds and establish a Monroe County Boy Scout camp. Service clubs, civic and fraternal organizations, churches, banks, business houses, manufacturers and individuals responded.

The committee was fortunate in securing Mr. C. S. Herr, as Eagle Scout and all around athlete, as camp director of the first camp in July, 1923. In addition to the many articles donated, the committee spent almost $2,030 for Camp Director, cook, tents, boats and other equipment. The Scouts named the island CAMP DEERBONE because of some deer bones found there.

CAMP DEERBONE was a success from the beginning; the Scouts showed the value of their training in the way they cleared the brush, arranged their tents, boat landing, etc. CAMP DEERBONE has received a AA health and sanitary rating from the District National Scout Camp Inspector, and also the Pennsylvania Department of Health.

Director Herr had charge of the camp during the camping seasons of 1923, 1924 and 1925. Mr. George Watson was the director during the season of 1926. Under his leadership the Scouts added many improvements to the camp site and tents and merit badges to the records of the Scouts. Mr. Philip Weislbecker was the director during the season of 1927. Under his leadership the camp and Scouts made still more strides.

For the past three summers, 1928, 1929 and 1930, the camp has been under supervision of Camp Director Harold W. Keller ("Pop"). During this time a number of improvements have been added to the camp site—the Kiwanis Bank House, the A. C. Sweney Memorial Building, the A. J. Zabriskie Bank House and the L'Hommedieu Headquarters building with the camp office and officers' quarters, a toilet with a septic tank, an outboard motor, kitchen drainage system, a large refrigerator, a large boat, and many minor improvements. Last season the Camp Honor Society was organized being in the form of the National Scout Honor Society, the Wamchendenik W. W., of which more is told in another article.

Marvelous advancement was made in Scout tests and
merit badges, as well as earning camp letters and learning to swim and handle boats.

Much could be said for the men and women, in addition to the camp directors, who gave much of their time, energy, and money to this worthy cause. Too much emphasis cannot be placed on the benefits of the camp to the Scouts who attended—in health, education, good fellowship, and general scout activities. CAMP DEERBONE has been a success every season and merits the support of every citizen of Monroe County. The Boy Scout movement is one of the best to make a 100% useful and patriotic citizen. Let us all do our “Good Turn” for the boys.

REPTILES

The Copperhead and the Rathtornake are members of the family of "pit vipers," and are both found in Monroe County. Both snakes are quite easily distinguished from the harmless varieties which also abound in the county. Both have this characteristic: a facial pit above the nostril, which makes the snake spear to have two pairs of nostrils.

The Copperhead is cinnamon or coppery in color, with fifteen to twenty darker dumb-bell shaped markings across the back. The head has no noticeable markings. It is a stocky snake with a short tapering tail.

The Rathtornake has its characteristic, the rattle, which contrary to common belief, is no indication of the snake's age. A new rattle is formed each time the snake sheds its skin, which is done several times a year and it may be easily seen that a rattle may be broken off. Hence the number of rattles has nothing to do with the snake's age. The back and the head is distinct. There are a large variety of markings according to the species of which there are fifteen in the United States.

Nearly all poisonous snakes bite only in self defense or in regurgitating food. However, if snakes are driven into a corner, they will give battle. No snake can strike accurately for more than one-half their length and normally less than that.

Material taken partly from the reptile study merit badge pamphlet, and contains an outline of the requirements for No. 11 in the camp letter system. Refer also to pages 235 and 482-491 in the Scout Handbook.

A CAMP FIRE AT NIGHT

How many Scouts have ever been around the Camp Fire at Deerbone? If not you have missed one of the most fascinating scenes of your camping experiences.

A Camp Fire under the stars; flames that seem to reach skyward; songs, yells, stories all give joyous thrills. Robust youth, youths that know no sorrow are a picture of life and Health around the Camp Fire. Have you ever enjoyed such a scene? This is what you would see and hear at Camp Deerbone.

The plan followed is such that the Camp Fire holds a "Sacred Place" in the life of a Scout. At 8 o'clock, assembly is blown, a line is then formed on the parade ground and the Scouts are given final instructions for the evening. All becomes quiet and the Camp Director leads the procession to the Camp Fire pit, where absolute silence is maintained till the Camp Fire is lit. As soon as the Camp Fire is lit, the Camp Songleader starts the Camp song, with its appealing tune and words, which stirs the heart of every Scout around the fire. Following this song are sung and yells yelled. After this, the Camp Director says a few words and an investiture service may be held. As soon as he is finished one of the Camp Patrons start their program for that night. At the end of their program, the "Song of prayer" is offered and then another program is started. As soon as it is over, the Scouts retiring to their tents for another night's sleep. In due time Taps is blown and soon taps are sounded and all is quiet for another sleep.

CAMP SONGS

CAMP SONG

(Tune—Cornell Alma Mater)

1. Far above the Delaware,
   With its waves of blue
   Stands our Noble Camp
   Deerbone,
   Glorious to view!

Chorus

Lift the chorus, speed it on,
Tell our praise in song,
Hail to thee, our camp so glorious,
Hail to CAMP DEERBONE!

Chorus

2. Our strong bonds can ne’er be broken,
   Formed at Camp Deerbone;
   Far surpassing welcome spoken,
   Sealed by friendship strong.

Chorus

3. Far away from all contention
   Of the busy town,
   Reared against the arched heaven,
   Looks she proudly down.

Chorus

4. Campfire days at last are passing,
   Gliding swiftly on;
   Let us pledge in word and deed,
   Our love for CAMP DEERBONE.

Chorus

TAPS

1. Day is done, Gone the sun,
   From the lakes, from the hills, from the sky.
   All is well, Safely rest, God is nigh.

EASTON AREA COUNCIL

SONG

Tune: Maryland, My Maryland.

1. The Boy Scouts have a sacred trust
   Easton Area Council;
   We’ll carry on—we know we must
   Easton Area Council!
   We’re Scouts today, as Scouts of yore,
   That we may know yet more and more,
   And come to knowledge thru thy door
   Easton Area Council.

2. We have a camp back in thy hills
   Easton Area Council;
   It’s wide in the paths, its rocks and rills
   Easton Area Council.
   At Camp Deerbone to thee we knelt,
   Thou and we God’s protection feel,
   May we our greatest faith reveal
   Easton Area Council.

3. And then we come to close of day
   Easton Area Council;
   We knelt with thee, and as we flung
   Easton Area Council;
   We feel thy mantle o’er us spread
   We know we’re safe, the day is done,
   Easton Area Council!
ONWARD BOY SCOUT, ONWARD

(Tune—Onward Christian Soldiers)

1. Onward, Boy Scouts, Onward,
   Brothers for the right;
   Live the Scout Law, gladly,
   Onward in their sight;
   Let the oath of loyalty
   Mark our trail each day;
   To this legend guide our journey,
   “Be Prepared Always.”

Chorus

Onward, Boy Scouts, Onward,
Brothers for the right;
Live the Scout Law gladly,
Onward in their sight.

2. I live the life of honour,
   Word that truth designed;
   God and Father, Son, and Holy Spirit,
   Revest in heart.

Chorus

LONG, LONG TRAIL

There's a long, long trail a-winding
Into the camp of my dreams;
When the evening camp fires glowing
And the bright moon beams,
They've been long, long months of waiting
And now my dreams have come true;
And every day I'm slipping down
That old camp trail with you.

THAT DREAM CAME TRUE

(Tune—Wake Up and Live)

I was dreaming of a camp fire,
Burning clear and bright;
Dreaming stars were out above me,
Up in a summer night;
I was dreaming that my comrades
All were dreaming with me, too;
When I woke and looked around me
Say—that dream came true.

2

TRAMP, TRAMP, TRAMP

1. In the heart of every Scout,
   There is honor for the flag,
   And a thought for all its stories of the past.
   And the Scout has made a mark
   That his faith will never lag,
   He will serve that sturdy banner to the last.

Chorus

TRAMP, TRAMP, TRAMP

The Scouts are marching
Under smiling skies above;
By the red and white and blue
We will hold forever true
To the glory of the country.

2. In our work, or in our play,
   That we love,
   In the city or the town,
   We are building up the body
   And the brain;
   And we build the spirit, too.
   Which shall make us into men
   Who can keep the flag forever
   Without stain.

Chorus

2. As we serve the Scouting Law,
   Stay above our mighty land,
   And we march along to-geth-
   Er in the land.
   With our bodies clean and strong,
   And our minds that understand,
   And a faith that holds us loyal heart and soul.
2 Teach us thy way—to find,
Be Courteous and Kind,
To those we meet;
Help us to look to Thee,
Obedient may we be,
With happy spirit free
Cheerful and sweet.

3 Lord, make us good and
Right.
Thrifty in power and might,
On Thee we call;
In life's lessons taught,
Them in our word and thought,
In all our strength,
God, make us all.

COMIN' DOWN FROM RANGOR

Comin' down from Rangor,
In a Pullman train,
After six weeks hunting
In the wilds of Maine.
Whiskers all a flyin',
Necktie all a flap,
So slow, so slick, so swell.

Seat behind him empty,
Also seat beside,
As into the village station,
The Pullman train did come.
Enter our couple,
Take him by surprise,
So pretty and polite.
In the Pullman coach seated,
Is this seat engaged,
And the good couple

Were righteously enraged.

THE HARVARD SONG

And oh, those looks on her face,
And oh, that look on his face,
And how they shined.
While the cinders fly,
Till the Harvard student gets one
in his eye.

Maiden sympathetic,
Turns her back about,
Oh, please won't you,
Let me help you take it out?

Let me help you take it out?

In the Pullman coach,
Park as Egypt's night,
Into city darkness.
That Pullman train did glide.

Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la,
Train-a-la-la-la-la.

And into the daylight
Squad the Pullman train,
And the aged couple,

 Were mighty near insane.
Maiden all a laughing,
For 'tain she feared,
They'd find her tiny earing,
In the Harvard students' hair.

And her tail on her Automobile.

15 THREE JEWs
One day three Jews were talk-
ing,
About the spot where they should die,
But they were undecided about
the spot where they should lie.
Sparks ﬂame for Jerusalem,
And hate for Palestine.
But when it came to Moses,
He said, "I’ll take this for mine."
"Where the river Shannon ﬂows,
Oh there I’ll be in repose,
In an Irish cemetery.
With a Shamrock on my nose,
Where the snow ne’er will ﬁnd me.
For who would ever suppose
That you’d ﬁnd a Jew in Ireland,
With a Shamrock on his nose?"

16 ONE GRASSHOPPER
One grasshopper jumped right
over the other grasshopper’s

And the other grasshopper
jumped right over the other
grasshopper’s back.
And the other grasshopper
jumped right over the other
grasshopper’s back.
Oh—they were only playing

They were only playing leap
frog.
They were only playing leap
frog.
And the other grasshopper
jumped right over the other
grasshopper’s back.

17 BOY SCOUTS ALL LIKE HIKING
Tune: "You Sir, That’s My Baby."
Boy scouts all like hiking,
Hike to their liking.
With many miles a day.
Birds, ﬂowers, trees and moun-
tains.
Beans, snakes, ﬁsh in fountains,
Long hikes don’t dull care away.
All the day,
All the day.
When we reach camp we will say:
"Boy scouts all like hiking,
Yes sir, to their liking,"
Oh Boy! I’m a B. S.
Get out pots and kettles,
Cut brush, trees and nettles;
Cook soap, ﬁre and coals,
Eat stuff till you’re hokey,
Right now build a snappy ﬁre.
Turn in then before you tire,
All the night,
All the night.
Then we’ll dream that we’re in
a ﬂight,
Beneath the season,
Yes sir, that’s my reason.
Oh may bow my armor hurts.

18 SWEET IVORY SOAP
Sweet ivory soap,
You are the dope.
You clean me so,
Like soapin’
In all my dreams.
Your square face beams,
You’re the fragrance of my bath.
Sweet ivory soap.
